

Weekly Update

Dear Homeowner:

The Clubhouse is still closed for cleaning and maintenance. We will reopen on January 12, 2022.

Townhall meeting: January 12, 2022, at 6:30 pm. This meeting is for the owners to make recommendations on the Capital Improvements. Since we are all meeting in the Oakmont room, we will require all members to have a mask at this meeting.

As you may be aware, the California Department of Public Health extended the requirement for universal masking indoors statewide from December 15, 2021, through **February 15, 2022**, regardless of vaccination status. We will require you to wear a mask when you enter our staff office.

The following is a summary of the recent updates per CDPH:

- **CDPH requires masks to be worn in all indoor public settings, irrespective of vaccine status, until February 15, 2022**
- **Signage will remain posted at all offices recommending all persons to wear a mask when entering the Clubhouse.**
- **Public Indoor Spaces include entering, being inside, or moving within the common area of an apartment building, condominium, or similar residential building, including lobbies, pool areas, elevators, common recreation areas, and offices or other spaces used by the public.**
