

hello
sunshine

*Have you noticed our **BOLD** new **SUNSHINE** sign on the door to the recycling area which the HOA has provided? If not, please do so next time you bring your cans and plastic bottles to the recycling area or when you just walk by the mailroom.*

Our Sunshine members wish to hardy thank those Solera residents who have complied by removing the caps from all plastic water bottles, juice and tea drink bottles which are **clearly imprinted on its label or side with the words CA-CRV or CA CASH REFUND**. Our collection of aluminum cans also continues as usual.

Members of the Sunshine Club are continuing to send cards and make calls to Solera residents who are sick or who have experienced a death in the immediate family. Please be sure and contact us, so that we can follow up with your friends and neighbors.

Our Club will resume meeting in September, on the third Wednesday of each month. If you have any questions about our Club or its activities, please contact Judy Charlick at (951) 769-6465
