

If you are looking for a way to be of service here in our Solera community, the Sunshine Club is the club for you. When a resident is ill, we send cards to cheer them. For an overnight hospital stay or a death in the immediate family, we deliver flowers or fruit baskets. The funds we reap from our recycling efforts pay for these gifts, and we appreciate the community's effort in our endeavors.

When you go to pick up your mail, be sure and notice our yellow Sunshine Box located on the table in the mailroom. This is where you can just drop off the information for resident(s) who are sick or have experienced a death in the family.

RECYCLING REMINDERS!

It is important to remember that **all plastic water bottles, juice and tea drink bottles as well as all aluminum cans (for which you paid the redemption fee) are recyclable for cash. Each recyclable item is clearly imprinted on its label or side with the words CA-CRV or CA CASH REFUND.**

You can also help us to put a little more Sunshine back into the community by joining us at our meetings on the third Wednesday of the month at **1:00** p.m. in the Arts & Crafts Room. If you have any questions, you may contact Diane Coffman at (949) 295-1097 or Vallarie Clegg at (951) 231-3991.

***THANK YOU FOR HELPING TO PUT A LITTLE
MORE SUNSHINE BACK IN OUR COMMUNITY!***
